

CRAFTTEX™

a Floortex Brand

The new name in craft

CraftTex produces a range of practical and creative products for crafters and artists.

For new and experienced crafters, CraftTex developed Bubbalux Craft Board.

This unique product bridges the gap between different craft genres.

Cut like card, then shape, twist or bend Bubbalux with the addition of heat.

It's waterproof too, and so can be displayed outdoors and indoors.

CraftTex believes you should spend your time creating, not cleaning - so we developed a range of crafters' surface protector mats to help save your tables, worktops and floors from damage.

8 1/2" x 11" Pack of 3

20" x 30" Single sheet

Bubbalux Craft Board is made from a unique foam PVC formula. Available in six solid colorways, it softens and bends with heat and is water and weather proof.

Cut and die cut

Bubbalux works with die cutting machines and deep dies to produce perfectly clean edges.

Use to shape up scrapbooks and enhance card making.

Emboss

Achieve a sharp impression when heat embossing and dry embossing - Bubbalux gives a crisp result every time.

You can also hand emboss to make your own mark.

Heat, bend and form

Turn up the heat to bend, twist and shape Bubbalux.
When it cools, the shape is retained.

Use a heat gun, hot water
or even a domestic hairdryer.

Always take appropriate care when heating Bubbalux and work in a well ventilated space.

Paint, print and draw

Add color, patterns and texture to Bubbalux creations using acrylic paint, gilding wax and ink pens.

The smooth, even surface means Bubbalux is perfect for painting, screen printing and vinyl graphics.

Cut and shape

Bubbalux is easy to cut using good quality scissors or a craft knife. Any rough edges can be easily filed using fine sandpaper.

Always take appropriate care when cutting Bubbalux to protect yourself and your work surfaces.

Glue, mount and pin

Common crafting glues and hot glue guns work well with Bubbalux.

Bubbalux boards are a perfect surface to mount artwork for display. A protective film ensures you have an unmarked surface every time, and pins glide through easily to hang your work.

Freestyle

Bubbalux allows you to unleash your creativity. You can freehand emboss, paint on extra colors, shape and mould add embellishments and even sew into Bubbalux.

Your creations can be displayed indoors or outside, as Bubbalux is weather proof and waterproof!

If you're a mixed media artist, papercrafter, painter, 3D artist, jewellery maker, scrapbooker, model-maker - or just want to have some fun with a product that's unique yet familiar - try Bubbalux today!

Visit www.CraftTex.co for inspiration and tutorials.

CRAFTTEX™

CraftTex knows that with great creativity comes great mess!

We also know that unless you're lucky enough to have your own studio, this mess is likely to be on your dining table or carpet.

Our extensive range of protective mats are designed to keep your expensive flooring and work surfaces clean, no matter what you throw at them.

Providing a shield against accidental spills, heat, scratches and damage, CraftTex floor mats come a range of shapes, sizes, colors and materials, and our worktop protectors cover whole tabletops as well as individual placements.

Find the mat that suits you and your craft.

CraftTex Surface Protectors - we've got you covered

CraftTex Floor Protector 9Mat

A unique 9-sided shape which offers maximum surface protection in a compact area.

Available in carpet or hard floor options, with a choice of pink, blue or clear colorways.

38"x39" (96 x 98cm)

CraftTex Clear Floor Mat

This clear polycarbonate mat offers a large area of barrier protection for your carpet or hard floor. It also provides an easy-glide surface for your chair to move on.

Rectangular mat with a choice of gripper-back for carpet or smooth back for hard floors.

35" x 47" (90 x 120cm)

Sploshmat

Fun and eye-catching, the Sploshmat is an inspiring addition to craft rooms, kids' rooms and classrooms.

Available in red or blue, with gripper back for carpets or smooth back for hard floors.

The smooth back version can also be used as a table protector mat.

40" x 40" (100 x 100cm)

Standing Comfort Mat

When your craft activity means standing for long periods of time, improve your personal comfort with a CraftTex luxury anti-fatigue mat.

Choose from black, red, blue or gray colorways, in standard or large sizes.

16" x 24" (40 x 60cm)

20" x 32" (50 x 80cm)

Individual Craft Mat
